

30cm induction cooktop

WHI323BD

i **IMPORTANT**

It is recommended to centre the bench cutout with equal distance front and back as shown but the product has also been certified to be installed with no clearance between the rear edge of the cooktop glass and rear wall if required. In doing so, installers still need to leave sufficient clearance to take into account that the glass dimensions are larger than the cut out.

Product WxDxH (mm)	300 x 520 x 51
Cut-out WxD (mm)	270 x 490

IMPORTANT

These dimensions are a guide only. All measurements are in millimetres (mm).
For complete installation instructions, refer to the manual provided with product.
