

## Side by Side Fridge

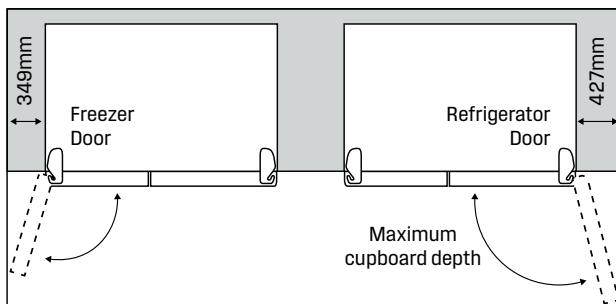

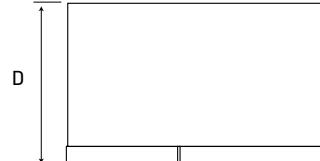

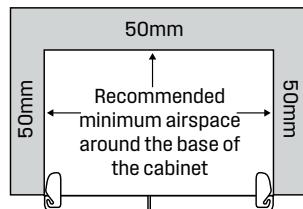

WSE6670BA / SA

### Minimum Recommended Airspaces

**Please note:** Doors are designed to sit proud of cabinetry (not flush). Refer to user manual for clearance details. Allow 20mm clearance above the hinge covers.

When positioned in a corner area, spacing of at least 349mm on the freezer side, and 427mm on the fridge side will allow the door to open enough to remove bins and shelves
